

EMTSH Registration Guide 2022

Appropriate Body Service

ALL ECTs **must** be registered with an Appropriate Body for statutory induction. To register ECTs with us for the AB, please do so via the link [here](#).

Early Career Framework

All schools are required to register their intentions for the ECF on the DfE portal - this activates funding for schools.

Information inputted must be accurate as this determines access to UCL eXtend.

Register new ECTs and Mentors on the DfE portal for the Early Career Framework [here](#).

Select UCL as the training provider.

UCL eXtend access

The DfE portal must be completed for both the ECT and mentor to gain access to eXtend - this is the online platform to download session materials. UCL will send login details direct to participants.

Please note: Once you have received access, you will need to accept the programme commencement agreement at the bottom of the overview page to gain full access to materials.

Session information

Once we receive your registration you will be sent a cluster group code and a PDF with your session dates for the year.

Dates are also available on our [website](#).
