

Conference feedback

- “Engaging speakers with clear/supportive messages”
- “Good opportunity to meet and network”
- “Nice to meet people in person. It’s very difficult to engage with people online”
- “Really welcoming and useful. Particularly when some of the self-study aspects can be daunting”
- “I thought it was great!”
- “Glad it was face-to-face, I now already have a relationship with my PLG who I sat with”
- “I’m not so anxious now”
- “Really enjoyed the conference – clarity of messaging / purpose. Really good to hear from Andy – made it more personal from UCL. Really inspired by keynote – loved this!”
- “Drew was superb, very inspirational and he came across as knowledgeable but honest and down to Earth”
- “Greater understanding of the implementation project”
- “Excellent and informative conference! Thank you to all delivery partners”
- “Very helpful, particularly to do peer-to-peer dialogue.”
- “Really beneficial, clear, supportive”
- “Really enjoyed it – meeting people was positive”
- “Drew’s input was inspiring and funny”
- “Excellent rationale and delivery”
- “Useful and informative. Great to be around like-minded people”
- “A great morning from all involved. Lovely to see familiar faces – providers and participants! Thank you”
- “Great stuff – having it in person is excellent. Good balance of practical info and the ‘why?’ Thank you”
- “Great informative leaders delivering the session”
- “Great to get together with others, nice to meet the team and get a clear launch of course and how it will develop”
- “Nice, varied input, good opportunity to talk to peers”
